

PRAYER | FORGIVENESS: THE SOUL TIE

God, I am ready to forgive _____. It is my choice to forgive _____ and to make You a part of this process. I know that You, (Heavenly Father) love me and want to heal my heart. You alone know the ache and the pain I have gone through. (Open a symbolic door on your chest and remove the person. Cup your hands together and hold them in your palms. Look at them in your hands and tell them...")

“_____, I take you from my heart, and hold you in my hands. I am going to forgive you today. Not because you asked, and not because you deserve my forgiveness, but because of Jesus. He wants me whole and healed, and I want to be set free from all unforgiveness, so today I’m going to forgive you.

I have some things to say to you. (Tell the person what they did, and how they hurt you. Say anything you wish to this person. Now is the time to empty all you need to say.)

After doing this, say:

“I know that forgiving does not mean that I will forget, or deny that this has happened to me; it simply means that I am letting go of it, so the Father can now deal with it. Father God, I understand that in forgiving _____ I will be placing them into Your hands, and You alone will judge the living and the dead. Forgiveness moves me out of the way so I can be cleansed and now healed.

1. With the power and authority of Jesus Christ, I break my bonding and connection with _____ and renounce any and all soul ties I have with _____. I renounce any part of this relationship and break all agreements I made in this union, and friendship.
2. I cast down every thought and imagination that has had a stronghold in my mind in Jesus name, and I take back the acreage, the area of my heart and soul that was connected to _____.
3. I repent of any unforgiveness towards _____ and I forgive _____ for the hurt and pain _____ caused me, knowing that The Father is now in charge of dealing with _____.
4. I cancel the effect this soul tie has had on my mind, will, and emotions. I renounce all influences, tendencies, and characteristics that I have received from this bond, and I sever any residual effects from my life, and every word spoken against me, In Jesus Name.
5. I take back all memories, good and bad... all pain, all conversations, and emotions that I have shared with _____ and I give _____ back all memories, pain, emotions, and conversations that we shared.

So, in Jesus name, I forgive you, _____. I forgive the whole amount. I loose my heart from your control, and I no longer hold your sin against you. I reclaim my heart and I take ownership.

(Hold up your cupped hands and get ready... take a deep breath) "In Jesus name, I let you go."
(Toss them high up into the air from your hands.)

I ask the Holy Spirit to purify and heal my heart. Father, cleanse and renew my mind and with Your power, realign my thoughts and emotions with Yours. In the Name of Jesus I fully and completely take back the back ground of my mind and recommit my soul to Jesus as Lord. As of this moment, all souls ties are broken and severed, and I fully release _____ from my life in Jesus Name. Thank you Father for setting me free.

Father, I forgive myself of any wrong doing in this. I also forgive You if I have harbored any unforgiveness toward You. You have never sinned against me God. You love me and You want me free. So, I ask that You carry this pain for me. It no longer belongs to me; It no longer holds me captive, and today, I give it to you and let it go.

Thank You, Jesus for setting me free.
