

PRAYER | HEDGE OF PROTECTION

KNOW YOUR AUTHORITY

Your home, whether you own it or rent it, you pay taxes on it. Prophetically walk the perimeter together and pray in agreement for the safety of our home and possessions.

MARK OUT THE TERRITORY

Walk around the perimeter of your property praying the entire way. Pray that where your feet walk that God would put establish blood line around our property. (If your property is larger – you could drive and pray the entire way.) You can pray Psalm 91. You can pray in the spirit. Or you can pray in English – however the Lord leads you.

ANOINT THE CORNERS OF THE PROPERTY

Take oil with you and anoint the corners of your property (pour some out). You can name a corner: Love, Peace, Provision, Healing, Wisdom, Joy, etc. Make sure to be diligent by walking completely around the property and complete the Hedge of Protection prayer.

ONCE YOU HAVE COMPLETED THE PERIMETER

Join hands and pray a prayer of agreement if you are man and wife, or pastor and congregant, or family... or yes, even on your own... join with God your Father in agreement. According to Matthew 18:18-19

1. Cleanse the Land

Ask God to forgive every sin that happened on your property all the way back down to Adam.

2. Dedicate the Land to God's Kingdom

Declare that your property belongs to the Lord. Tell every unclean spirit to get out of your property... and never come back.

3. Seal Up Your Prayers

- Establish everything you just prayed through by the blood of Jesus Christ ~ that nothing can be taken from what you just did. Lord send your Angels to protect the land we just took back from the enemy.
- We pray that LIFE would inhabit every place that was just uprooted.
- We pray for a hedge of protection by the blood of Jesus around every person in our family. We pray a hedge around our minds, homes, families, finances, possessions, health, jobs, and ministries.
- We pray for prosperity and increase in every way over our lives.
